OFFICIAL REFERENCE NOTICE: This is an internal, fictional university reference document created solely for educational, administrative testing, and system evaluation purposes at Crescent Bay International University (CBIU), Abu Dhabi. All rules, processing fees, deadlines, and procedural guidelines contained herein are fictional and do not represent the regulations of any actual university or state government authority.

1. VISA OVERVIEW & GENERAL FRAMEWORK

All non-UAE citizen students admitted to full-time academic programs at Crescent Bay International University (CBIU) must hold a valid CBIU Student Residence Visa prior to commencing coursework. CBIU operates as the official institutional sponsor for admitted international students under the specialized Abu Dhabi Higher Education Visa Protocol (fictional framework).

The student visa process is structured into a mandatory two-phase pipeline: first, the issuance of an official **Entry Permit** allowing initial lawful arrival into the UAE, followed second by the **In-Country Visa Finalization** (comprising a mandatory medical screening, biometric identity capture, and physical visa stamping). The CBIU Visa & Immigration Services Office (VISO) manages all government interactions directly on behalf of admitted candidates.

2. STUDENT ELIGIBILITY CRITERIA

To qualify for institutional visa sponsorship through CBIU for the 2027 academic year, applicants must satisfy all of the following explicit criteria:

- **Academic Status:** Unconditional admission or conditional admission (language prep only) into a degree-granting program (Undergraduate, Master's, or Doctoral) with a minimum course load of 12 credit hours per regular semester (6 credit hours for postgraduate research).
- **Age Threshold:** Minimum age of 17 years and 6 months at the time of official entry permit filing.
- **Passport Validity:** Possession of a valid machine-readable passport with at least 7 months of remaining validity from the planned arrival date.
- **Financial Capability:** Verification of sufficient financial reserve ($14,500 USD or equivalent) through cash deposits, institutional sponsorship, or approved government scholarships.
- **Clearance Record:** Clean background clearance issued by CBIU Security Assessment Directorate.
